**\* ATTENTION \* Online entries through our website!!!**

Judges are not required to wait for dogs. They will adhere as closely as possible to the judging schedule printed in this program. The owner or handler of each dog is solely responsible for having it ready at ringside when its class is to be judged. The show-giving Club and Superintendent have no obligation or responsibility for providing service through a public address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the ring when required. Being an unbench show, you need to be at show only in time for your judging and may leave any time after judging. Numbers before each Breed represent the number of dogs entered in (1) the regular dog classes; (2) regular bitch classes; (3) Specials Only, Best of Breed or Best of Variety Competition; and in (4) Non-Regular classes.

For your convenience, the following class divisions have been carefully tabulated; however, neither the Club nor the Superintendent assumes responsibility for absolute accuracy.

## The Atlanta Golden Retriever Club is proud to present The Golden Retriever Club of America's CCA (Noncompetitive Conformation Assessment Program) on Sunday, August 6, 2017 Starting at 12:00PM

The GRCA offers a Noncompetitive Conformation Assessment Program for Golden Retrievers at which a Certificate of Conformation Assessment (CCA) may be earned. This program is open to all Golden Retrievers over the age of 18 months that are AKC or CKC registered or that have an AKC PAL or ILP number. Spayed & Neutered animals are expressly permitted to participate, as are dogs owned by non-members of the GRCA. However, see "Limitations of Entries" on GRCA's site [www.grca.org](http://www.grca.org).

The general purposes of the CCA program are to (a) provide a noncompetitive means of evaluating & scoring the conformation qualities of individual Golden Retrievers against the Breed Standard (as opposed to a competitive "dog-to-dog" comparison as in dog show competition); (b) provide a useful & informative evaluation with verbal & recorded assessments by knowledgeable evaluators of the conformation qualities of individual Golden Retrievers; (c) provide archived records of the completed evaluations for all Golden Retrievers that have been assessed to generate reports for historical purposes.
